About This Game

About the game Embark on a journey in Garlock Online with your friends. Collect items, fight numerous monsters, and gain achievements throughout the game. Build, recruit and upgrade your summoned monsters together in battle for fighting and also in PvP battles. In Garlock you can choose between 3 class types and equip them with items and armor to level up throughout the game. Each character has the ability to summon monsters that they can use in battles. Keep them in good health to ensure their longevity and help them level up along beside you. Level up and become stronger than your foes. Defeat other players in PvP battles and be the strongest of them all! Don’t forget to seek out a faction to join and receive bonuses. Play hard to get into mini instances and gain more to experience opportunities!

in Garlock Online you travel with your friends, collect points, fight monsters and earn merit in the game. Build, recruit and level up your sworn monsters to fight in pvp and resolve your quests.
Garlock will have three different character classes with they're own types of armors and weapons which are all fully upgradeable in the game.
Raise the health of your own monsters to improve the ability to survive and to grow up in the level.
